

IMGGA POLICY FOR MEMBERS THAT DO NOT SHOW UP FOR SCHEDULED PLAY

Our current procedure for a member to sign up to play in an IMGGA tournament is as follows:

1. Utilizing Chelsea, select the “Add an Event Request” feature.
2. Select the AM or PM Tuesday tournament, put in your username, press enter.
3. Complete the request by noon Friday.

We accommodate players who were unable to sign up or who need to cancel without any penalty by simply calling the pro shop and asking to be “Added-on” or to cancel. (This policy will continue).

There has been a growing problem of players who don't show up without calling, and players who have asked to be added on, who simply do not show. Since we are unaware that a player is a “no show” until the last minute, this creates multiple problems for the tournament director, who must correct any player changes on the scorecards and update the computer information prior to starting play. This also creates imbalances in the teams, and is unfair to the players and teams who have followed the sign-up rules.

Therefore, we are forced to make the following policy changes for players who violate the current sign up rules.

1. You cannot request to be added-on two weeks in a row.
2. You must call in at least one hour prior to the shotgun start time to cancel or be added-on.
3. If you are a “no show”, you cannot play the following week.
4. If you request to be added on and do not show, you cannot play the following week.
5. If you request to “add-on” you must show up 30 minutes before the scheduled tee time.
6. You will be notified by the tournament director via email if you are not allowed to play the next week due to the “no show” violation.
7. To avoid being blacked out for a week of play, we will allow you to pay a \$5 fine. If you choose that option, put a check for \$5 in the IMGGA box in the computer room and reply to the tournament director's email that you have paid your fine. You will then be eligible to play in the next weekly tournament.

We continue to encourage everyone to use Chelsea every week.

We encourage players to check in at least 20 minutes prior to play.
